

GET TO KNOW GRACE.

God has blessed us greatly in allowing us space and opportunity to mingle our congregation into one outdoor service during these warmer months. This blessing has also brought to light that our members of Grace may not all know each other, and it has been five years since our last pictorial directory. We are due for a new one, but in light of the pandemic, now does not seem the right time to embark on a project of that nature, so we are hoping to do a fun spotlight to get to know each other just a little while we await the timing for a real directory.

Please answer these few questions and submit them with a picture that we will feature in upcoming church publications.

1. How long have you been a member of Grace?

2. What is/was your occupation?

3. What is your favorite Bible verse?

4. What is your favorite hymn?

5. What is one accomplishment that you are proud of?

6. What is one thing on your "Bucket list" that you would love to accomplish if there were no obstacles?

7. What lesson has this pandemic taught you?

Please return to the offering, church office, or email to kjbarnes25@yahoo.com Questions? Ask Karen Barnes, Jane Coggin, or Tiffany Ingram
